Side Effects is the story of what happens to a married couple when the husband runs for public office and the wife is emotionally unstable. Playwright is Michael Weller and director is David Auburn (“Proof”, “The New York Idea”). A brief discussion will follow on family and career.

WoW cultural events are part of the WoW social activities that help promote the participation of women in science by establishing strong networks of support and exchange of various academic and personal issues that strengthen connections and raise awareness of key issues to help support women in their studies and retain them in the sciences.

All Are Welcome.
