COMPULSION brings playwright Rinne Groff and The Public Theater Artistic Director Oskar Eustis (*The Ruby Sunrise*) together again with a complex and inventive telling that is part historical fiction, part investigation into what makes a man obsess, and part exploration of an untold dimension of Anne Frank's powerful and enduring legacy. Brief discussion will follow on creativity and ownership of ideas.

WoW cultural events are part of the WoW social activities that help promote the participation of women in science by establishing strong networks of support and exchange of various academic and personal issues that strengthen connections and raise awareness of key issues to help support women in their studies and retain them in the sciences.

All Are Welcome.
